Bernard Gui, the model for the interrogator in The Name of the Rose, is now available as The Inquisitors Guide from Ravenhall Books (2006). Intelligence Collector Operations, the official U.S. Army interrogation manual. Bernard Gui is also real, and the scene where he breaks Remigio is lifted almost verbatim from his actual Inquisitor's Manual (where it is given to illustrate). A number of the characters, such as the Inquisitor Bernard Gui, Ubertino of the novel is lifted bodily from the historical Bernard's own Manual for Inquisitors.
